LARS FLYGE
FRONTEND DEVELOPER

T +45 20862434   **M** RikardoFlyge@gmail.com   **A** 4600, Koege   **li** www.linkedin.com/in/lars-flyge

PROFILE

I am a 25-year-old recent graduate in computer science with a deep passion for front-end development, seeking an opportunity to contribute to a dynamic and innovative organization. With a creative and problem-solving mindset, I am eager to apply my skills in a challenging role where I can grow and make a meaningful impact. I am highly motivated, committed, and ready to leverage my technical and creative abilities to drive success within your team.

WORK EXPERIENCE

Feb 2024 – Mar 2024
Internship as Frontend developer, Secomea
- Created React components in Typescript using ShadCN and Tailwind CSS.
- Created a Static Site Generation (SSG) website using Astro.
- Used Git for Version Control and followed Commit Conventions

Jul 2018 – Feb 2022
Sales Assistant, Fakta

PROFESSIONAL SUMMARY

I am excited about a future job because I am passionate about front-end development and eager to continuously expand my skills by learning new technologies and languages. I thrive in environments where I can quickly adapt and grow, and I am motivated to contribute to a team that values innovation and collaboration. I look forward to the opportunity to develop both personally and professionally in a role that challenges and inspires me.
